LOK SABHA

UNSTARRED QUESTION NO:659
ANSWERED ON:16.08.2007
TRAIN ACCIDENTS
Annayyagari Shri Sai Prathap;Chowdhury Shri Adhir Ranjan;Jogi Shri Ajit;Manoj Dr. K.S.;Murmu Shri Hemlal;Nikhil Kumar Shri ;Owaisi Shri Asaduddin;Pallani Shamy Shri K.C .;Rao Shri Sambasiva Rayapati;Shakya Shri Raghuraj Singh

Will the Minister of RAILWAYS be pleased to state:

(a) the details of train accidents reported since January 2007, their prima-facie reasons, loss of lives and properties and compensation/ex-gratia relief given to victims, accident-wise;

(b) the details of inquiries ordered into such accidents alongwith outcome and action taken thereon;

(c) whether the Hon'ble Supreme Court has passed stricture against the Railways regarding increasing number of accidents at unmanned level crossings;

(d) if so, the action taken by the Railways thereon alongwith the number of level crossings to be manned during the current year, zone-wise;

(e) the number of manned and unmanned level crossings in the country as on date alongwith the number of level crossings manned during the last three years, zone-wise;

(f) whether consent of State Governments are required for closing level crossing;

(g) if so, the response of State Governments thereto; and

(h) the steps taken by the Railways to curb train accidents, particularly at unmanned level crossings?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R. VELU)

(a) to (h): A Statement is attached

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (h) OF THE UNSTARRED QUESTION NO.659 BY SHRI HEMLAL MURMU, SHRI RAYAPATI SAMBASIVA RAO, SHRI RAGHURAJ SINGH SHAKYA, SHRI NIKHIL KUMAR, SHRI ADHIR CHOWDHURY, SHRI ASADUDDIN OWAISI, SHRI AJIT JOGI, DR. K.S. MANOJ, SHRI K.C.PALLANISHAMY, SHRI A. SAI PRATHAP AND SHRI M. APPADURAI TO BE ANSWERED IN THE LOK SABHA ON 16.08.2007 REGARDING TRAIN ACCIDENTS.

(a) & (b): There have been 106 consequential train accidents on Indian Railways during the period from January to July, 2007, in which 128 persons lost their lives. Loss of railway property on account of these accidents has been estimated to be Rs. 26.53 crores (approx.). A sum of Rs. 5.10 lakhs (approx.), as ex-gratia, has been paid in cases where admissible. Compensation, however, is payable after the claim cases are filed and awarded by the Claims Tribunals.

Out of these 106 accidents, 14 cases are being enquired into by the respective Commissioners of Railway Safety, and in case of remaining 92, departmental inquiry committees were constituted. Depending upon findings of the inquiry reports, so far finalized, action as warranted is in progress including punitive action under Discipline and Appeal Rules against those found responsible. Accident-wise details are at Appendix.

(c): No, Sir.

(d): Does not arise. However, Railways have targeted manning of 447 unmanned level crossings during 2007-08 and the zone-wise break-up is as under:-

Railway Zone	Target for Manning during 2007-08
Central	3
Eastern	1
East Central	10
East Coast	0
Northern	100
North Central	20
North Eastern	17
North East Frontier	6
North Western	54
Southern	100
South Central	20
South Eastern	6
South East Central	15
South Western	30
Western	55
West Central	10
TOTAL	447

(e): Zone-wise number of manned and unmanned level crossings over Indian Railways as on 01.04.2006 and the number of level crossings manned during last three years is as under:

RAILWAY	MANNED	UNMANNED@	No. of unmanned LCs manned during last three years 2004-05	2005-06	2006-07
Central	932	503	0	06	0
Eastern	912	379	11	11	1
Northern	2333	2021	10	43	24
North Eastern	1008	1729	24	21	28
North East Frontier	673	1092	06	14	08
Southern	1714	1333	05	51	49
South Central	1241	1373	15	37	12
South Eastern	414	964	04	02	03
Western	1743	2901	04	26	29
East Central	962	879	21	10	5
East Coast	437	985	20	22	14
North Central	1009	625	24	02	9
North Western	1320	1414	18	05	21
SouthEast Central	405	821	13	19	12
SouthWestern	617	913	12	22	17
WestCentral	880	365	03	0	04
Total	16600	18297	190	291	236

@ excluding 'D' class cattle crossings and canal crossings.

(f) & (g): Yes Sir. Railways are required to obtain consent of the State Government authorities before closing a level crossing.

However, the response of the State Governments is not always very encouraging.

(h): The important steps undertaken to prevent accidents at unmanned level crossings include provision of levelled road surface, approaches with suitable gradients, provision of road sign boards and speed breakers/rumble strips on approaches to level crossings, whistle boards alongside the rail track on approach to level crossings and progressive manning of unmanned level crossings based on laid down criteria. Public awareness programmes for educating road users for observing safe practices while negotiating unmanned level crossings are also launched periodically through various means including advertisement on television, newspapers, street plays, etc., and joint ambush checks are conducted with the involvement of civil authorities. Emphasis is also being given to close down less used unmanned level crossings, merging them with another level crossing in the close vicinity, or by constructing 'Limited Use Subways' wherever feasible in lieu of existing level crossings with lower Train Vehicle Units (TVUs).

Figures are provisional.

Appendix referred to in reply to parts (a) and (b) of Unstarred Question No. 659 be answered in the Lok Sabha on 16.08.2007.

S. No.	Date of Accident	Type of accident	Railway	Section	Train No.	Brief particulars	Casualty Killed	Injured	Cost of Damage	Ex-gratia/ Compensation	Prima facie Cause of accident	Type of inquiry	Findings /Outcome	Responsibility	D & AR Action taken
